

Invest Barbados - Here for You

Like you and other discerning executives across the world, the Invest Barbados team is adjusting as quickly and as safely as possible to a global crisis that has evolved rapidly. With the spread of the coronavirus (COVID-19), several countries have been experiencing unprecedented situations. In the face of this, Invest Barbados continues to prioritise the health, safety and well-being of our employees, investors and other members of our community. Our team is deeply committed to playing our role in the containment of the COVID-19 pandemic.

We are employing strategies to minimise disruption of our services. Invest Barbados will therefore continue to extend quality services to investors, potential investors and service providers as we seek to assist you in making informed choices. In line, with our Government's policies to mitigate the spread of COVID-19, as well as the advice given by the World Health Organisation, our team will be engaging virtually, unless physical meetings are critical. Throughout the crisis, you will be able to reach us personally via telephone, email and online.

We believe that by working assiduously and collaboratively, we will rebound from this crisis, stronger. Stronger as an investment promotion agency, a business community and a nation. As we journey through this period, be assured that Team Barbados truly values the confidence you place in our country to capably enhance your global competitive advantage. Barbados will continue to be a dependable partner.

In extending to you, your families and teams, best wishes for good health and safe passage through this crisis, we also ask that you stay vigilant. We will continue to communicate with you directly to provide additional information over the coming weeks.
