Since these transactions may create a conflict between our interests and yours, we are required to disclose to you certain relevant matters relating to the transactions. This statement contains a general description of the required disclosure. A complete statement of the rules is set out in Part IX of these Regulations.

We must also make disclosure to you where we know or should know that, as a result of our acting as your broker or adviser, or of our exercising discretion on your behalf, securities will be purchased for or sold to us, an associated party or, in the course of an initial distribution, a connected party.
